

**CSHCS INFO #7-2019 - Access to CSHCS and CHASS applications**

Tue 2/19/2019 6:21 PM

Dear Colleagues:

We are in the process of developing an online approval system in order request access to the Children’s Special Health Care Services (CSHCS) and/or the Children’s Healthcare Automated Support Services (CHASS) applications. This new process will utilize the Database Security Application (DSA), which can be accessed through MILogin.

Existing Local Health Department staff will be required to submit a new DSA request to keep their current access. Also, going forward new users will use this process to request access.

Below are the dates we will be conducting webinars sessions in order to familiarize yourself with this new process. This process is mandatory and users will be required to renew their CSHCS and/or CHASS access on an annual basis or their access will be deactivated.

Please contact Jacque Lett [Lettj@michigan.gov](mailto:Lettj@michigan.gov) or Craig Boyce at [boycec@michigan.gov](mailto:boycec@michigan.gov) if you have any questions regarding the information provided.
