## 1.0 General Report Overview

Effective October 1, 2017, the Michigan Department of Health and Human Services (MDHHS) has modified the functionality of the Financial Status Report (FSR) bundle. The modification to the FSR bundle is designed to increase reporting efficiency for the Community Mental Health Service Programs (CMHSP) and the Prepaid Inpatient Health Plan (PIHP) Regional Entities. The FSR bundle will now allow FSR reporting specific to the needs of the reporting board. There are three FSR report types; CMHSP (Non-Medicaid reporting), PIHP (Medicaid/Affiliate CMHSP reporting) and Stand Alone (Detroit-Wayne, Oakland, Macomb). The selected FSR will only display the applicable report tabs, columns and rows.

Please note that the report tabs, columns and rows that are not applicable are hidden or relabeled to condense the FSR bundle. Additionally, the financial reporting instructions for each form within the FSR bundle have not been modified. All column, row, cell and formula references remain intact and should only be considered if applicable to the selected FSR.

The Report Certification will be utilized by the CMHSP / PIHP to identify the reports included in the electronic submission of reports to the Michigan Department of Health and Human Services (MDHHS). In recognition that various individuals may be responsible for the completion of the reports, the Report Certification allows identification of the contact name, contact telephone number and contact email address for each report included on the certification. Additionally, the Report Certification will be used to certify the accuracy and completeness of the report submission related to the reporting of revenues and expenditures as required in contract attachments C.6.5.1.1 and P.7.7.1.1. Contact information and report certifications must be included with each electronic report submission to the MDHHS.
