### Healthy Behaviors Update

Kathy Stiffler shared that MDHHS is working to revise the Health Risk Assessment (HRA) form by removing the option to include beneficiary biometric data (e.g., cholesterol levels, blood pressure, etc.) and convert the HRA to an electronic format from the current paper form. This will allow providers to submit the form directly to MDHHS for staff to forward to the correct health plan. The Department's goal with moving to the new submission system is for timelier processing of HRAs and greater beneficiary participation in healthy behaviors. Currently, 18% of Healthy Michigan Plan beneficiaries have completed an HRA and are engaging in one or more healthy behaviors.

### Other

The current Healthy Michigan Plan §1115 Demonstration Waiver expires on December 31, 2018, and MDHHS is working to submit a request for extension to the Centers for Medicare & Medicaid Services (CMS) by December 31, 2017.

### Medicaid Managed Care

#### Provider Surveys

MDHHS worked with the Michigan State University Institute for Health Policy to develop and distribute a survey to providers related to their experience in working with the health plans. To conduct the survey, MDHHS randomly selected providers to rate their experience working with a specific health plan. Providers who completed a survey of the health plan to which they were assigned were allowed to survey additional health plans of their choosing. The survey was distributed to 5,607 providers (in anticipation of a low response rate) with a statewide target sample of 2,317. However, only 5% of all providers completed a survey, (11% of the target sample). A draft report showing the results of the survey was distributed to meeting attendees. MDHHS staff indicated that while the Department does not plan to publish the report due to the low response rate, some findings will be shared with individual Medicaid Health Plans.

#### Healthy Kids Dental Bid Update

MDHHS is currently accepting bids for a new **Healthy Kids Dental** contract, and has extended the deadline for submissions to July 31, 2017. Award notices will be posted on [www.buy4michigan.com](http://www.buy4michigan.com) in October or November 2017, with a contract start date of April 1, 2018. While Delta Dental is currently the only provider with a contract to provide services to **Healthy Kids Dental** program beneficiaries, the Department aims to award new contracts to more than one statewide vendor. If more than one contract is awarded, a systems change will be required to allow beneficiaries the choice of enrolling in any available plan. Additional information regarding the **Healthy Kids Dental** contract award process is available on the web at [www.buy4michigan.com](http://www.buy4michigan.com).
