General Fund Contract Settlement Worksheet – August 2017		1 of 7

1.0 General Report Overview

The General Fund Contract Settlement Worksheet will be utilized to evaluate contract authorization to payments received by the Community Mental Health Services program (CMHSP), identify the maximum general fund (GF) carry-forward, verification that prior year GF carry-forward has been utilized or has approval from the Michigan Department of Health and Human Services (MDHHS) to utilize in a future fiscal year and settles the categorical funding arrangements outlined in the contract.

The General Fund Contract Settlement worksheet will be utilized in tandem with the General Fund Contract Reconciliation and Cash Settlement (CRCS). The CRCS worksheet provides a mechanism to close out the financial components of the Managed Mental Health Supports and Services Contract (contract). The CRCS will be used in evaluating any remaining financial obligations due to the CMHSP or the MDHHS. The financial information reflected in the report should represent revenue and expenditures on an accrual basis of accounting through the fiscal year (FY) ending September 30th and recorded as specified in the contract. The CRCS summarizes the resources and expenditures associated to the contract, the disposition of funding (surplus/deficit) and the cash settlement of the contract. Please refer to the instructions for the CRCS for further details.
