Dear Tribal Chair and Health Director:

RE: Capital Reimbursement Methodology

This letter, in compliance with Section 6505 of the Affordable Care Act, serves as notice of intent to all Tribal Chairs and Health Directors of the request by the Michigan Department of Community Health (MDCH) to submit a State Plan Amendment (SPA).

MDCH is notifying you of its intent to submit a SPA to the Centers for Medicare and Medicaid Services to change inpatient capital reimbursement methodology to a hospital-specific prospective rate. A prospective per-discharge amount will be calculated for medical/surgical hospitals, including critical access hospitals and children's hospitals. Freestanding rehabilitation hospitals, distinct part rehabilitation units, and state psychiatric hospitals will be reimbursed a prospective per diem capital rate. This change will be completed in a manner that is budget neutral to the State of Michigan.

You may submit comments regarding this Notice of Intent to msapolicy@michigan.gov. If you would like to discuss the Notice of Intent or request an official consultation on this proposed SPA, please contact Lorna Elliott-Egan, MDCH Liaison to the Michigan Tribes. Lorna can be reached at (517) 373-4963 or via e-mail at Elliott-EganL@michigan.gov.

There is no public hearing scheduled for this SPA.

Sincerely,

Stephen Fitton, Director
Medical Services Administration
