MEMORANDUM

DATE: April 20, 2020
TO: EMS Providers, Instructor Coordinators, MCAs
FROM: Terrie Godde, EMS Education Coordinator
SUBJECT: CE Solutions – Unapproved CE Provider in Michigan

CE Solutions has not met the Michigan requirement to obtain accreditation through the Commission for Accreditation of Pre-Hospital Continuing Education (CAPCE). We have provided more than one extension to them to do so since January 2020. Therefore, continuing education (CE) credits from CE Solutions will no longer be accepted in the State of Michigan effective May 17, 2020. The Department will honor any CE's earned through CE Solutions by EMS providers prior to May 17, 2020.

The Division of EMS and Trauma accepts many forms of continuing education through Michigan licensed instructor coordinators, Michigan approved [Continuing Education Program Sponsors](#), and [CAPCE](#) accredited continuing education programs. More information on these resources for providers can be found at: www.michigan.gov/ems under the Provider button.

Questions about valid continuing education in Michigan can be referred to Terrie Godde, EMS Education Coordinator, at goddet@michigan.gov or MDHHS-MichiganEMS@michigan.gov.
