Dear Colleagues,

As many of you are aware, on April 1, 2020 state CSHCS staff granted a 12-month medical review extension for clients whose medical review date was between 02/01/20 and 07/31/2020 (with the exception of the newborn diagnosis codes and a limited number of other codes for conditions that could resolve in a year). This step was taken to assist clients who are unable to get into their specialist to obtain the required medical for renewal due to COVID-19. Please note, if a client has more than one code, and at least one codes is longer than a one-year code, all the codes were extended for a year.

Attached is the list of codes that were excluded from the 12-month medical review extension. Please let me know if you have any questions or concerns.

Thank you!  
Craig
