Dear Tribal Chair and Health Director:

**RE:** Institute for Mental Disease and Government Provider Disproportionate Share Hospital (DSH) Pool Increases

This letter, in compliance with Section 1902(a)(73) and Section 2107(e)(1)(C) of the Social Security Act, serves as notice to all Tribal Chairs and Health Directors of the intent by the Michigan Department of Health and Human Services (MDHHS) to submit a State Plan Amendment (SPA) request to the Centers for Medicare & Medicaid Services (CMS).

Pending approval by CMS, the Michigan Medicaid State Plan will be modified to reflect a funding increase for the Institute for Mental Disease and Government Provider DSH Pools. The distribution methodology will be consistent with existing MDHHS policy. The State of Michigan expects these changes will have little or no impact on tribal members. The anticipated effective date of this SPA is September 30, 2019.

There is no public hearing scheduled for this SPA. Due to timing of guidance received and the subsequent analysis that was required, it is not possible to adhere to the sixty (60) days notification. Therefore, notification is being provided as soon as possible. Input regarding this SPA is highly encouraged, and comments regarding this notice of intent may be submitted to Lorna Elliott-Egan, MDHHS Liaison to the Michigan tribes. Lorna can be reached at 517-284-4034, or via email at [Elliott-EganL@michigan.gov](mailto:Elliott-EganL@michigan.gov). **Please provide all input by October 7, 2019.**

In addition, MDHHS is offering to set up group or individual consultation meetings to discuss the SPA, according to the tribes' preference. Consultation meetings allow tribes the opportunity to address any concerns and voice any suggestions, revisions, or objections to be relayed to the author of the proposal. If you would like additional information or wish to schedule a consultation meeting, please contact Lorna Elliott-Egan at the telephone number or email address provided above.
