Dear Colleagues:

This is just a friendly reminder! The Health Insurance Marketplace enrollment period is open from November 1, 2020 to December 15, 2020. Please review your underinsured work queue for a list of clients in your area without comprehensive health care coverage.

Families may call the Health Insurance Marketplace at 1-800-318-2596 or visit online at HealthCare.gov to apply. Those who enroll during this period will receive a policy with an effective date of January 1, 2021.

Please note that CSHCS offers the Insurance Premium Payment Benefit Assistance to help families maintain comprehensive health care coverage for their CSHCS-enrolled family member, which includes marketplace policies.

To be eligible for the Insurance Premium Payment Benefit Assistance (IPPBA), families need to submit an IPPBA application, along with requested documentation and meet eligibility and cost effectiveness criteria. If you have any questions, please email Amy Chapko, CSHCS Insurance Specialist at chapkoa@michigan.gov.

Thank you!

Amy Chapko
