Work Plan Objective Progress and Highlights:

complete sections that have progress within the quarter

Injury Prevention

Indicator(s): The RTN is active within the region in the monitoring and evaluation of regional injury prevention activities and programs

Progress: The Region 5 Injury Prevention and Education Committee anticipate meeting via telephone conference in March. This committee is finalizing event details planned for the third quarter of 2020 as required in the Region 5 workplan

Communications

Indicator(s): Indicator 302.10: There are established procedures for EMS and trauma system communications for major EMS events or multiple jurisdiction incidents that are effectively coordinated with the overall regional response plans.

Progress: N/A

Infrastructure

Indicator(s): Indicator 302.1: The regional trauma plan has clearly defined the roles, resources and responsibilities of all acute care facilities treating trauma, and of facilities that provide care to specialty populations (burns, pediatrics, other).

Progress: N/A

Regional Performance Improvement

Indicator(s): Indicator 303.4: When injured patients arrive at a medical facility that cannot provide the appropriate level of definitive care, there is an organized and regularly monitored system to ensure the patients are expeditiously transferred to the appropriate, system defined trauma facility.

Progress: N/A

Continuum of Care

Indicator(s): Indicator 308.1: The regional work plan addresses the integration and participation of rehabilitation services within the continuum of care for trauma patients.

Progress: N/A

Trauma Education

Indicator(s): Indicator 310.3,4,6: The regional trauma network establishes and ensures that appropriate levels of EMS, nursing and physician trauma training courses are provided on a regular basis.

Progress: N/A

Other relevant activities information:

Region 5 leadership cancelled the March 2020 trauma committee meetings due to the COVID-19 situation occurring in Region 5. All trauma committee meetings are cancelled until further notice due to the mandates of Governor Whitmer. The Region 5 Trauma Coordinator maintains open communications with MCA by attending any MCA meetings occurring through telephone/video conferencing and email.

Administrative Rule Requirements:

- Yes - Quarterly meeting minutes on shared drive.
- Yes - All MCA's participating in the RTN.
- No - Performance improvement ongoing.
