MINUTES

I. Call to Order, Introductions – Dr. Joneigh Khaldun

The April 2021 CLEEC Meeting was called to order at 1:00 PM. The roll was taken, and a quorum of members were present.

II. Review and adopt March 2021 CLEEC Minutes – All

Angela Hood-Beaugard motioned to approve the March 2021 CLEEC minutes. Al Vanderberg seconded the motion. The minutes were unanimously approved.

III. New Members Introductions

Kathy Moore attended her first meeting as an appointed member of the CLEEC.

IV. MDHHS COVID-19 Updates

a. Departmental Response – Dr. Joneigh Khaldun

Michigan appears to be in a “slowing” third surge of COVID-19. The percent positive rate has declined to about 16%. Cases are still high about 642 cases per million people. 19% of hospital beds are being used for COVID-19 patients. MDHHS expects to hit a 6 million doses in arms milestone either today or tomorrow.

b. Healthy Homes/Child Lead Poisoning Prevention Program – Carin Speidel

The Environmental Health Division is going through a reorganization, and the CLPPP program has moved with the Healthy Homes Section. Jennifer Shutts is the section manager of the new regulatory section of the program. The CLPPP is currently working on their CDC application, for a multi-year grant.

The section is in the early stages of the mobile testing units to address the decrease in lead testing due to COVID-19.

Provider outreach continues thanks to Dr. Jennifer McDonald.

A recent request for proposal was opened to expand contractors to the abatement pool. Three new contractors have joined.

Services continue including environmental investigations under COVID-19 safety protocols.

The Workforce Campaign is expected to launch May 15th and includes a 60 second commercial, 30 second commercial, a 30 second radio ad, and a 15 second radio ad.

V. CLEEC Workgroup Report Out

a. Data

Tom Largo (MDHHS) and Dan Albright (MDHHS) provided an overview of current MDHHS activities including data dashboards, systems linkages, and other future initiatives. At this time, the Data Workgroup will no longer need to meet.

b. Regulatory

The Regulatory Workgroup is interested in setting up community engagement opportunities/townhalls with contractors or various municipalities to learn more about barriers in the current regulatory environment. The Michigan Municipal League is a major stakeholder of interest.

To frame these questions, the workgroup will use the National Center for Healthy Housing findings. The end goal is to develop a Regulatory Toolkit that would describe best practices.

VI. Other Updates

a. Lead Prevention Fund

The Department is still moving forward with the Lead Prevention Fund. The department is actively drafting an RFP for a fund administrator. The goal is to release the RFP in the summer.

b. Action Item Recap – James Bell

- i. A request has been made to update the CLEEC Presentation including current activities.
- ii. A request has been made to follow up with the Oakland County Health Department Up regarding their commercial.

VII. Adjourn

Angela Hood-Beaugard motioned to adjourn the April 2021 CLEEC Meeting. Christine Callahan seconded. The motion was unanimously approved.

The meeting adjourned at 1:28 PM.

The meeting recording can be found [here](#).
