Dear LHD Colleagues,

The Family Center for Children and Youth with Special Health Care Needs (Family Center) is excited to offer a series of free Virtual Parent Connect Calls twice monthly. Our last call for April is scheduled for Wednesday, April 21, 2021 at 4:00 pm EST.

During this Parent Connect Call, participants will learn basic genetics concepts, common indications for genetic testing throughout the lifespan, and the future direction of genetic technology.

Attached is the flyer and the link to register on Eventbrite is:
