

## MCSP NEWSBLAST: Revised MCSP Facility Contact Form

May 26, 2021

---

The MCSP facility contact form has been revised and the most current copy of this form as available on the [MCSP Web page](#) should be used when submitting new/revised facility contact information. The most current copy of the facility contact form 'Reporting Facility Contact Information Form' can be accessed at the [MCSP Web page](#) under the MCSP Forms Heading.

**NOTE:** When submitting new/revised facility contact information to MCSP, please complete the 'Reporting Facility Contact Information Form' in its entirety and return completed form to [alversong@michigan.gov](mailto:alversong@michigan.gov) and [coltrains@michigan.gov](mailto:coltrains@michigan.gov).

MCSP endeavors to provide facilities with accurate and up-to-date cancer case reporting requirements. The role of MCSP is to collect and organize data, but the building blocks for the Michigan central cancer registry come from the reporting institutions who identify and submit the cases. Thank you for your continued cooperation in submitting timely changes in facility contact information to MCSP.

### MCSP Staff

Please feel free to contact one of us if you have any questions regarding Michigan cancer reporting requirements (\*), MCSP Reporting Facility Contact Information Form (†) and/or Data Requests/Research Studies (§).
