NAME TITLE ADDRESS CITY STATE ZIP

Dear Tribal Chair and Health Director:

RE: Hospital Rapid Whole Genome Sequencing (rWGS) Testing Reimbursement State Plan Amendment (SPA)

This letter, in compliance with Section 1902(a)(73) and Section 2107(e)(1)(C) of the Social Security Act, serves as notice to all Tribal Chairs and Health Directors of the intent by the Michigan Department of Health and Human Services (MDHHS) to submit a SPA request to the Centers for Medicare & Medicaid Services (CMS).

Pending CMS approval, MDHHS will provide reimbursement, separate from the Diagnosis Related Group (DRG) payment, for rWGS testing in the inpatient hospital setting when clinical criteria are met. MDHHS expects that Michigan's Medicaid patient groups, including tribal members, will benefit by expanded access to rWGS testing when medically necessary. The anticipated effective date of this SPA is September 1, 2021.

There is no public hearing scheduled for this SPA. Input regarding this SPA is highly encouraged, and comments regarding this notice of intent may be submitted to Lorna Elliott-Egan, MDHHS Liaison to the Michigan tribes. Lorna can be reached at 517-512-4146, or via email at Elliott-EganL@michigan.gov. Please provide all input by July 24, 2021.

In addition, MDHHS is offering to set up group or individual consultation meetings to discuss the SPA, according to the tribes' preference. Consultation meetings allow tribes the opportunity to address any concerns and voice any suggestions, revisions, or objections to be relayed to the author of the proposal. If you would like additional information or wish to schedule a consultation meeting, please contact Lorna Elliott-Egan at the telephone number or email address provided above.

MDHHS appreciates the continued opportunity to work collaboratively with you to care for the residents of our state.

An electronic copy of the letter is available at www.michigan.gov/medicaidproviders >> Policy, Letters, & Forms.

Sincerely,

Kate Massey, Director
