**Low Income Household Water Assistance Program  
(LIHWAP) Consolidated Appropriations Act of 2021 and  
American Rescue Plan  
GRANT IMPLEMENTATION PLAN**

**Grantee Name:** State of Michigan

**Document Status:** Final Draft

## Section 1 – Program Needs, Goals and Allocations

### Community Needs and Program Goals

#### 1.1 Description of Emergency Household Drinking Water and Wastewater Needs

*The OCS priorities are restoration of household water services, reducing arrearages, reducing rates charged to households. Briefly describe current needs related to these priorities within your state, territory, or tribal areas. Describe any areas of concentrated need or special issues within communities served by water utilities within your state, territory, or tribal area.*

A recent survey with 143 respondents by the Michigan Section of the American Water Works Association revealed: There is a total of \$252,131,643 in arrears statewide and 292,589 accounts have arrears. The average arrears per customer is \$348. The state moratorium for shut-offs expired March 31, 2021.

Stakeholder groups, including water and wastewater suppliers, have identified a need for plumbing repairs in order to ensure safe delivery of water to Michigan residents.

#### 1.2 Operational Priorities and Emergency Flexibilities

*Consistent with goal of the American Rescue Plan to provide immediate relief to the American people, briefly describe the operational priorities within your state, territory or tribal area (e.g. immediate restoration of services to households without current water services, immediate payment of existing arrearages to prevent disconnection of drinking water or wastewater services after a previous moratorium on water services due to Covid-19).*

State Emergency Relief (SER) helps to restore or prevent shut off of a utility service when service is necessary to prevent serious harm to SER group members. The following are covered utility services: Payment of an arrearage to maintain or restore service for water and sewer utilities, The payment must restore or continue service for at least 30 days at the current residence.

A deposit required by the utility provider to begin, maintain, or restore water and/or sewer services. Fees for connection, reconnection, or hookup of utility services.

Community Action Agencies (CAAs) will also be administering LIHWAP to low income households with water and wastewater arrearages. In some instances payment may be made to reduce the account balance to \$0. LIHWAP benefits may not result in an account credit.

#### 1.3 Expected Date for Initial Water Payments on Behalf of Households

*Provide an estimated date by which payments will be initiated based on the operational priorities identified above (e.g. first stage of payments to restore services for currently disconnected households, etc.).*

The Michigan State Legislature must appropriate LIHWAP funds prior to program implementation. The SER program is an existing program, which is already in place and able to assist as soon as the funding becomes available.

The contract process with the CAAs will begin as soon as funding is appropriated. Michigan estimates 11/1/2021 as the start date for a complete roll-out of the LIHWAP.

Note for Section 1.4 below: Michigan will not be spending more than 15% of LIHWAP funds for administrative purposes. The total state + CAA administrative costs will NOT exceed 15% of the LIHWAP Block Grant. Until funding is appropriated from the Michigan legislature, we are unable to identify what

<b>Estimated Funding Allocations</b>		
<b>1.4 Estimate what amount of available LIHWAP funds will be used for each component that you will operate:</b> <i>The total of all percentages must add up to 100%. The combined total of Administration (State) and Administration (Subrecipients) must not exceed 15% of the total for either the Consolidated Appropriations Act or the American Rescue Plan Award.</i>	<b>Consolidated Appropriations Act of 2021 Percentage (%)</b>	<b>American Rescue Plan Grant Percentage %</b>

<b>Categorical Eligibility</b>		
<p><b>1.5 As outlined in the Terms and Conditions, current recipients the following programs are categorically-eligible for LIHWAP assistance:</b></p> <ul style="list-style-type: none"> <li>• Low-Income Home Energy Assistance Program (LIHEAP)</li> <li>• Means-tested Veterans Programs</li> <li>• Supplemental Security Income (SSI)</li> <li>• Supplemental Nutrition Assistance Program (SNAP)</li> <li>• Temporary Assistance for Needy Families (TANF)</li> </ul> <p><i>Briefly describe your operational plans for enrollment of categorically eligible populations based on operational priorities outlined in question 1.2 (e.g. automatic enrollment, acceptance of documentation of enrollment during intake processes). If it will not be possible to include any of these programs in your intake/eligibility processes, provide a brief explanation.</i></p> <p>The CAAs will consider a household Categorical Eligible if any household member is receiving LIHEAP, SSI, SNAP or TANF during the month of application for LIHWAP.</p> <p>CAAs will accept Benefit Notices or verify through MI Bridges current eligibility for LIHEAP, SSI, SNAP and/or TANF.</p>		

### Determination of Eligibility for Direct Enrollment

*Note: The information below is focused on eligibility determination for households that are not categorically eligible based on the enrollment in one of the programs outlined in question 1.5.*

**1.6 What type of countable income do you use for eligibility determination? (select one)**

- Gross Income
- Net Income

**1.7 List all the applicable forms of countable income used to determine a household's income eligibility for LIHWAP. Note: The forms of countable income used for benefit eligibility are generally left to the discretion of the grantee; however, the following sources are not applicable forms of countable income used to determine a household's income eligibility for LIHWAP:**

- Temporary Assistance for Needy Families (TANF) benefits
- Supplemental Nutrition Assistance Program (SNAP) benefits
- Women, Infants, and Children Supplemental Nutrition Program (WIC) benefits
- Covid-19 Economic Impact Payments (Stimulus Checks)

Countable income includes the following:

State Disability Assistance.

Social Security benefits, use the net amount received. Do not count reimbursement of Medicare premiums.

SSI State Supplemental payments.

Alimony, child support and child support participation payments.

VA benefits, except clothing allowance or the court ordered amount for aid and attendance. Lump sum payments of accumulated monthly benefits.

Payments from sick and accident insurance plans.

If any of the above questions require further explanation or clarification that could not be made in the fields, provide said explanation here.

Section 1.6 - MDHHS uses adjusted gross income to determine eligibility for assistance benefits. There are also standard deductions allowed for mandatory withholding taxes, health insurance, etc.

## Section 2: Benefits

### Eligibility

**2.1 Designate the income eligibility threshold used for the water benefit.**

<p><b>Eligibility Threshold</b> <i>(select one)</i></p> <p><input checked="" type="checkbox"/> Federal Poverty Guideline</p> <p><input type="checkbox"/> State Median Income</p> <p><input type="checkbox"/> Hybrid Federal and State (Based on Household Size)</p>	<p><b>Eligibility Threshold Percent</b></p> <p style="text-align: center;">150 %</p>
---	--

**2.2 Do you anticipate additional eligibility requirements beyond the income threshold noted in 2.1 for water assistance?**     Yes     No

If the answer to question 2.2. is "Yes" please provide an explanation below

SER has an additional asset test. Households with countable assets exceeding \$15,000 do not qualify.

**2.3. How will you support households whose utility payments are included in their rental payments?**

Renters may qualify for LIHWAP benefits provided they can show proof that the water and/or wastewater utilities are included in their rent and the amount past due has led to disconnection status or imminent disconnection. To qualify, the applicant must submit a water/ wastewater bill that shows that they are in jeopardy of being disconnected or have already been disconnected. The applicant may use their lease or a statement from the landlord to verify the water and wastewater utilities are included in their rent.

**2.4 Check the variables you use to determine your benefit levels. (Check all that apply. Check both Household Drinking Water Burden and Household Wastewater Burden if households receive a combined bill for drinking water and wastewater):**

- Income
- Household Size
- Household Drinking Water Burden
- Household Wastewater Burden
- Other *(Please describe):*

The household benefit will be based on the actual amount needed to prevent disconnection due to an account arrearage or to restore water and/or wastewater services that have already been disconnected.

**2.5 Describe estimated benefit levels for the project period for which this plan applies**

If any of the above questions require further explanation or clarification that could not be made in the fields, provide said explanation here.

### Section 3: Outreach

**3.1 Select all outreach activities that you conduct that are designed to assure that eligible households are made aware of all LIHWAP assistance available:**

- Place posters/flyers in local and county social service offices, offices of aging, Social Security offices, VA, etc.
- Publish articles or public service announcements in local newspapers or broadcast media announcements.
- Work directly with water utilities to identify potential recipients.
- Include inserts in water vendor billings to inform individuals of the availability of all types of LIHWAP assistance.
- Mass mailing(s) to prior-year LIHEAP recipients or recipients of other government benefits:
- Automated phone campaigns and/or social media outreach
- Multi-lingual announcements in languages spoken by low income households within utility service area and/or notification in ethnic language news and broadcast media outlets
- Inform low income applicants of the availability of all types of LIHWAP assistance at application intake for other low-income programs.
- Execute interagency agreements with other low-income program offices and/or public health pathways created for Covid-19 outreach to perform outreach to target groups.
- Outreach to faith-based institutions, including those serving low-income people and people of color
- Other (*specify*):

Michigan will utilize 2-1-1 and MI Bridges as a referral source for LIHWAP assistance.

If any of the above questions require further explanation or clarification that could not be made in the fields, provide said explanation here.

## Section 4: Coordination

### 4.1 Describe how you will ensure that the LIHWAP program is coordinated with other programs available to low-income households (LIHEAP, TANF, SSI, SNAP, EPA, Emergency Rental Assistance Program, Homeowner Assistance Program, WAP, etc.) etc.).

Joint application for multiple programs:

A low income household can apply for any of these programs using a single application, or the MI Bridges online application.

Intake referrals to/from other programs:

The CAAs administer wrap-around programs at time of application based on community needs.

One - stop intake centers:

Referrals can be made for services not covered by CAAs to other community partners. CAA staff also provide MI Bridges Navigation services and can assist individuals with the application process for assistance benefits offered by MDHHS.

Other - *Describe:*

### 4.2 Describe how you will coordinate with relevant regulatory authorities that govern water suppliers.

MDHHS has been actively working with Michigan's Department of Environment Great Lakes and Energy, (EGLE). EGLE ensures Michigan's water resources remain clean and abundant by establishing water quality standards, overseeing public water supplies, regulating the discharge of industrial and municipal wastewaters, monitoring water quality and the health of aquatic communities, developing policy, and fostering stewardship.

MDHHS, EGLE and the Executive Office of the Governor have held meetings regularly, coordinated communication efforts and offered presentations with stakeholders around the State of Michigan.

If any of the above questions require further explanation or clarification that could not be made in the fields, provide explanation here.

**Section 5: Agency Designation**  
 (Required for State grantees and the Commonwealth of Puerto Rico))

**5.1 How would you categorize the primary responsibility of your State agency?**

- Administration Agency
- Commerce Agency
- Community Services Agency
- Energy / Environment Agency
- Housing Agency
- Human Service Agency
- Other - *Describe:*

<b>5.2 LIHWAP Component Administration</b>	Drinking Water Service	Wastewater Service
<b>5.2a</b> Who determines client eligibility?	MDHHS and CAAs	MDHHS and CAAs
<b>5.2b</b> Who processes benefit payments to water service providers?	MDHHS and CAAs	MDHHS and CAAs

If any of your LIHWAP components are not centrally administered by a State agency, you must complete questions 5.3, 5.4 and 5.5.

**5.3 What is your process for selecting local administering agencies?**

Community Action Agencies must be in good standing (a rating of 3 or higher on their most recent risk assessment conducted by Bureau of Community Action and Economic Opportunity (BCAEO). Any Community Action Agencies that have received a notice of de-designation are not eligible for supplemental funding programs. If a CAA chooses not to participate or is not eligible to administer this program, the funding for the impacted service area will be administered by an alternate CAA or other entity to be determined by BCAEO to ensure statewide coverage. Up to 27 CAAs will be used to administer LIHWAP.

**5.4 How many local administering agencies do you use?**

27

**5.5 What types of local administering agencies do you use?**

- Community Action Agencies
- Local Governments
- City Governments
- County Governments
- Other non-profits

If any of the above questions require further explanation or clarification that could not be made in the fields, provide said explanation here.

## Section 6: Water Suppliers

*Note: Water suppliers refers to both drinking and/or wastewater suppliers as they may be different entities at the local level*

**6.1 The following question is specific to Tribes (only). Do you charge households drinking water and wastewater utility services?**

- Yes If "Yes" please proceed to next questions.  
 No If "No" please skip to question 6.5.

**6.2 How do you notify the household of the amount of assistance paid, and the timing of the assistance payment?**

Households are issued a benefit notice at the time of approval.

**6.3 How do you assure that no household receiving assistance under this title will be treated adversely because of their receipt of LIHWAP assistance?**

Water and wastewater suppliers are required to sign a participation agreement form that assures non-discrimination against eligible households. Vendor payments for water/wastewater services may only be issued to and accepted by enrolled energy suppliers. The CAAs will be working directly with their local water and wastewater suppliers to obtain the supplier agreement form. The form will then be stored in a secure State of Michigan SharePoint site and LIHWAP payments will only be issued to participating providers.

**6.4 How do you assure that water suppliers are restoring disconnected service or otherwise maintaining continuity of service due to the benefit payment?**

This requirement will be included in the supplier agreement form as a stipulation for accepting LIHWAP payments. Any provider who does not adhere to the terms and conditions of the program will be required to repay the benefit and their agreement will be terminated.

**6.5 For Tribes who answered “No” to question 6.1, please describe how you intend to maintain accurate records to show how LIHWAP funds are expended for drinking water and/or wastewater utilities on behalf of households. (I.E. Financial expenditure reports).**

If any of the above questions require further explanation or clarification that could not be made in the fields, provide said explanation here.

## Section 7: Program, Fiscal Monitoring, and Audit

**7.1 How do you ensure good fiscal accounting and tracking of LIHWAP funds?**

Fiscal control and accounting procedures have been established to assure proper dispersal for all federal funds received. The State of Michigan has upgraded its financial and accounting system and now uses a Statewide Integrated Governmental Management Application, also known as SIGMA. SIGMA has improved the way Michigan performs financial transactions, including budgeting, accounting and payments. DHHS must follow rigorous fiscal accountability and control procedures as laid out in the Financial Management Guide (FMG). The FMG represents a consolidation of state financial management policies and procedures. The FMG is an internal

**Audit Process**

**7.2 Describe any audit findings rising to the level of material weakness or reportable condition cited in the Single Audits (as required in the Single Audit Act), Grantee monitoring assessments, inspector general reviews, or other government agency reviews of the LIHWAP agency from the most recently audited fiscal year.**

No Findings

## Compliance Monitoring

### 7.3 Identify the Grantee's strategies for monitoring compliance with the Grantee's and Federal LIHWAP policies and procedures (e.g. certifications, Terms and Conditions, federal guidance, nondiscrimination requirements): *Select all that apply.*

#### Grantee employees:

- Internal program review
- Departmental oversight
- Secondary review of invoices and payments
- Reconciliation of water supplier records
- Other program review mechanisms are in place. *Describe:*

The SER Program Office reviews cases randomly during the exception or inquiry/troubleshooting

#### Local Administering Agencies / District Offices:

- On - site evaluation
- Annual program review
- Monitoring through central database
- Desk reviews
- Client file testing/sampling
- Reconciliation of water supplier records
- Other program review mechanisms are in place. *Describe:*

BCAEO staff will review each service plan and budget prior to an award of the grant agreement to ensure operational capacity and compliance to administer the program.

Programmatic and financial monitoring will be completed annually to ensure the agencies are working within the guidelines to accomplish the goals of the program. Program monitoring tools will be created to sample client records for compliance. The monitoring schedule for the CAAs is attached with this application.

**7.4 Explain or attach a copy of your local agency monitoring schedule and protocol.**

CAA monitoring schedule will be included at the time of submission.

**7.5 Describe how you select local agencies for monitoring reviews.**

Site visits:

BCAEO conducts site visits every three years, as long as travel is permitted. Site visits may be more frequent if there are extenuating circumstances.

Desk reviews:

BCAEO monitors annually. Desk Reviews are conducted on the years when site visits do not take place.

**7.6 How often will each local agency be monitored? *Note: This answer can be prospective.***

Annually

**7.7. How many local agencies are currently on corrective action plans for eligibility and/or benefit determination issues for LIHEAP or other programs administered by your agency?**

2

**7.8. How many local agencies are currently on corrective action plans for financial accounting or administrative issues for LIHEAP or other programs administered by your agency?**

1

If any of the above questions require further explanation or clarification that could not be made in the fields provide, said explanation here.

One of the two agencies mentioned above is not eligible to receive LIHWAP funding due to the severity of their issues and their pending de-designation status.

## Section 8: Public Participation

**8.1 How did you obtain input from the public in the development of your LIHWAP plan?  
*Select all that apply.***

- Tribal Council meeting(s)
- Public hearing(s)

Enter the dates for Tribal Council meeting(s) or Public hearing(s):

- Draft Plan posted to website and available for comment
- Hard copy of plan is available for public view and comment

Enter how long draft plan and/or hard copy of plan was available for public view and comment:

- Comments from applicants are recorded
- Request for comments on draft Plan is advertised
- Stakeholder or consultation meeting(s)
- Comments are solicited during outreach activities
- Other - *Describe:*

**8.2 How many parties commented on your plan? 8**

**8.3 Summarize the comments you received on your plan here:**

Comments included the following suggestions: hold multiple public hearings, provide bill forgiveness, require providers to continue service for six months, prioritize those in greatest need and most at risk of shut off, prioritize those who are most vulnerable to contracting and dying from COVID-19, required specific reporting from water suppliers, no asset testing, provide ongoing assistance, prohibit providers from rolling arrears to property taxes, use every reasonable avenue for communicating availability of the program, use LIHWAP for plumbing repairs, include means-tested Veterans benefits as a categorically eligible group, allow utilities to apply for LIHWAP funds on behalf of their customers, implement LIHWAP as a temporary plan, concerns with the public comment period were expressed, request for increased

**8.4 What changes did you make to your LIHWAP plan as a result of the comments received?**

MDHHS agrees that we need maximum communication efforts. Some CAAs have mass texting capabilities and do so on a regular basis.

MDHHS is having internal conversations to determine the ability of gaining access to households which contain a member who receives means-tested Veterans benefits.

If any of the above questions require further explanation or clarification that could not be made in the fields, provide said explanation here.

MDHHS will be providing a written response to each individual or group that provided public comment to clarify or explain our program in greater detail.

## Section 9: Fair Hearings

*Note: Administrative hearing opportunities will be comparable to and may utilize existing processes, procedures, and systems currently in place for the State, Territory, or Tribe's Low Income Home Energy Assistance grant.*

### **9.1 Describe your fair, independent hearing procedures for households whose applications are denied or where the applicant disputes the benefit amount.**

Each SER application and Decision Notice informs the applicant of their right to contest a department decision affecting eligibility or benefit levels whenever they believe the decision is incorrect. The Department provides an administrative hearing to review the decision and determine its appropriateness. The applicant, or their representative, has 90 calendar days from the date of the written notice of case action to request a hearing. The request must be received by the Department within the 90 days.

CAAs also provide household with information for requesting a hearing or appeal along with their eligibility notice.

### **9.2 When and how are applicants informed of these rights?**

The application forms and determination notices inform clients of their right to a hearing. These include an explanation of how and where to file a hearing request, and the right to representation.

CAAs provide the household with information for requesting a hearing or appeal along with their eligibility notice.

### **9.3 Describe your fair hearing procedures for households whose applications are not acted on in a timely manner.**

The SER application forms and each written notice informs clients of their right to a hearing. An individual may request a hearing because an application for crisis assistance was not acted upon timely.

CAAs provide the household with information for requesting a hearing or appeal along with their eligibility notice.

**9.4 When and how are applicants informed of these rights?**

The SER applicant is informed of this information, in writing, on the application and also on the eligibility determination notice once the level of benefits have been determined.

CAAs provide the household with information for requesting a hearing or appeal along with their eligibility notice.

If any of the above questions require further explanation or clarification that could not be made in the fields, provide said explanation here.

## Section 10: Training

**10.1 Training Strategy - Briefly describe the anticipated training strategy for ensuring that grantee staff, local administering agencies, and participating water utilities understand requirements outlined in the Terms and Conditions as well eligibility requirements and procedures described in this plan. Indicate any technical assistance or resources needed by the State, Territory or Tribe to carry out this training strategy.**

SER is an existing program and DHHS program staff are familiar with the policy manual and eligibility process for this program. Trainings are provided as needed.

BCAEO will provide trainings to the CAAs and internal staff at the rollout of the program and throughout the duration of the program, as needed. Trainings will be held via webinar or with tools and resources made available through a SharePoint site.

MDHHS will work with EGLE to ensure programmatic understanding among water and wastewater suppliers.

## Section 11: Performance Management

**11.1 Describe any challenges you anticipate with collecting and reporting data to ACF each year regarding how you implemented your LIHWAP. Examples of data may include, but are not limited to, the number of households assisted, the average benefit amount provided, the number of households whose water or wastewater services were restored because of the benefit, demographics of applicants and beneficiaries, and the number of imminent disconnections of water or wastewater services avoided because of the benefit.**

MDHHS does not currently have the technical capacity to track whether if the payment has restored service or if the LIHWAP payment prevented disconnection of water or wastewater services. MDHHS also anticipates difficulty in collecting this data directly from the service providers as well as it is not currently being tracked statewide.

**11.2 List any technical assistance resources you request of ACF related to data collection, analysis and reporting on your LIHWAP.**

Technical assistance will be dependent on reporting requirements for this program.

If any of the above questions require further explanation or clarification that could not be made in the fields, provide said explanation here.

Michigan Senate Bill 690 created a water assistance program which ran from August 1, 2020 - December 30, 2020. As a result of that program, MDHHS has learned that many providers throughout the state do not have the technical capacity to provide individual account arrearages nor do they collect many data elements which may be needed to satisfy reporting requirements.

## Section 12: Program Integrity

### 12.1 Fraud Reporting Mechanisms

**a. Identify all mechanisms that will be available to the public for reporting cases of suspected LIHWAP waste, fraud, and abuse. *Select all that apply.***

- Online fraud reporting
- Dedicated fraud reporting hotline
- Report directly to local agency/district office or Grantee office
- Report to State Inspector General or Attorney General
- Forms and procedures in place for local agencies/district offices and vendors to report fraud, waste, and abuse
- Other - *Describe:*

**b. Identify strategies that will be used for advertising the above-referenced resources. *Select all that apply***

- Printed outreach materials
- Addressed on LIHWAP application
- Website
- Other - *Describe:*

### 12.2. Identification Documentation Requirements

**a.** Indicate which of the following forms of identification will be required or requested to be collected from LIHWAP applicants or their household members. Note: The types of documentation required is left to the discretion of the grantee. The types of documentation included in the list below are examples of documentation required by LIHEAP grantees for some or all household members based on policies within the State, Territory or Tribe. Comparable documentation and procedures may be instituted for LIHWAP households or may be modified or simplified for households that are categorically eligible based on enrollment in programs identified in question 1.5.

### 12.3 Identification Verification

Identify what methods will be used to verify the authenticity of identification documents provided by clients or household members. *Select all that apply*

- Verify SSNs with Social Security Administration
