Dear Tribal Chair and Health Director:

RE: Postpartum Extension from 60 days to 12 months

This letter, in compliance with Section 1902(a)(73) and Section 2107(e)(1)(C) of the Social Security Act, serves as notice to all Tribal Chairs and Health Directors of the intent by the Michigan Department of Health and Human Services (MDHHS) to submit a State Plan Amendment (SPA) request to the Centers for Medicare & Medicaid Services (CMS).

The purpose of this SPA is to extend the current postpartum coverage for qualified pregnant women from 60 days to 12 months. This change would have a positive impact on Native American beneficiaries, tribal healthy clinics, and urban Indian organization by allowing 12 months of continuous postpartum coverage to qualified pregnant women. The anticipated effective date of this SPA is April 1, 2022.

In an effort to submit this State Plan Amendment to CMS as soon as possible in order to meet an April 1, 2022, implementation date, we are providing an update to L 21-81 indicating that the Tribal Notice period will be shorter than the normal 60 day notice period with responses requested prior to March 1, 2022. There is no public hearing scheduled for this SPA. Input regarding this SPA is encouraged, and comments regarding this notice of intent may be submitted to Lorna Elliott-Egan, MDHHS Liaison to the Michigan tribes. Lorna can be reached at 517-512-4146, or via email at Elliott-EganL@michigan.gov. **Please provide all input by February 28, 2022.**

In addition, MDHHS is offering to set up group or individual consultation meetings to discuss this SPA, according to the tribes' preference. Consultation meetings allow tribes the opportunity to address any concerns and voice any suggestions, revisions, or objections to be relayed to the author of the proposal. If you would like additional information or wish to schedule a consultation meeting, please contact Lorna Elliott-Egan at the telephone number or email address provided above.
