DEPARTMENT OF HEALTH AND HUMAN SERVICES
LANSING

ELIZABETH HERTEL
DIRECTOR

CITY STATE ZIP

Dear Tribal Chair and Health Director:

RE: Plan First! New Family Planning Eligibility Group

This letter, in compliance with Section 1902(a)(73) and Section 2107(e)(1)(C) of the Social Security Act, serves as notice to all Tribal Chairs and Health Directors of the intent by the Michigan Department of Health and Human Services (MDHHS) to submit a State Plan Amendment (SPA) request to the Centers for Medicare & Medicaid Services (CMS).

Securing approval for this SPA would provide access to family planning for Michiganders who do not qualify under the income eligibility for Healthy Michigan or traditional Medicaid but have incomes below 200% of the federal poverty level (195% of the federal poverty level with a 5% income disregard). It is expected that Tribal members and other Native Americans not currently eligible for these services would benefit from this coverage if this SPA is approved by CMS.

MDHHS is pursuing an amendment to its Medicaid State Plan to add a Family Planning Medicaid Group that will provide coverage for family planning services for people with incomes up to 200% of the federal poverty level – currently \$36,620 annually for a household of two. Under the change, approximately 25,000 additional Michiganders would have access to these critically important family planning services.

Approval of the SPA would provide family planning coverage to additional women, men and families, including:

- Initial and annual physical exams relating to reproductive health and family planning options, including patient education and counseling.
- Breast and cervical cancer screenings.
- Sexually transmitted infections and HIV screening and testing.
- Sterilization services.
- Family-planning-related laboratory services.

- Medical, diagnostic and treatment services that are determined to be necessary during a family planning visit, such as treatment for sexually transmitted infections or diseases or cervical cancer vaccinations.

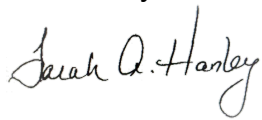

There is no public hearing scheduled for this SPA. Input regarding this SPA is highly encouraged, and comments regarding this notice of intent may be submitted to Lorna Elliott-Egan, MDHHS Liaison to the Michigan tribes. Lorna can be reached at 517-512-4146, or via email at Elliott-EganL@michigan.gov. **Please provide all input by November 26, 2022.**

In addition, MDHHS is offering to set up group or individual consultation meetings to discuss the Amendment, according to the tribes' preference. Consultation meetings allow tribes the opportunity to address any concerns and voice any suggestions, revisions, or objections to be relayed to the author of the proposal. If you would like additional information or wish to schedule a consultation meeting, please contact Lorna Elliott-Egan at the telephone number or email address provided above.

MDHHS appreciates the continued opportunity to work collaboratively with you to care for the residents of our state.

Sincerely,

Farah Hanley
