RE: TN 24-0002

Dear Director Groen:

The Centers for Medicare & Medicaid Services (CMS) has reviewed the proposed Michigan state plan amendment (SPA) to Attachment 4.19-A MI-24-0002, which was submitted to CMS on April 8, 2024. This plan amendment extends the MIDocs Consortium within the State of Michigan's Graduate Medical Education (GME) Innovations Sponsoring Institution Program through Fiscal Year 2024.

We reviewed your SPA submission for compliance with statutory requirements, including in sections 1902(a)(2), 1902(a)(13), 1902(a)(30), 1903 as it relates to the identification of an adequate source for the non-federal share of expenditures under the plan, as required by 1902(a)(2) of the Social Security Act and the applicable implementing Federal regulations.

Based upon the information provided by the state, we have approved the amendment with an effective date of April 1, 2024. We are enclosing the approved CMS-179 and a copy of the new state plan pages.

If you have any additional questions or need further assistance, please contact Tom Caughey at 517-487-8598 or via email at tom.caughey@cms.hhs.gov.

Sincerely,

STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT

State of MICHIGAN

Methods and Standards for Establishing Payment Rates – Inpatient Hospital Care

GME Innovations MIDOCs Program

The GME MIDOCs Program supports the expansion of residencies and subsequent retention efforts for approved high need specialties in underserved areas of the state, where current and future physician shortages undermine the health and well-being of Medicaid beneficiaries. The MIDOCs program offers physician training in integrated and patient-centered care for underserved populations that will further the state's Medicaid quality goals. To be eligible for MIDOCs GME funding, the MIDOCs participating medical school must enter into an agreement with the state agency specifying the number of MIDOCs residents to be supported, the total annual cost of such residencies, any post-residency expenditures to retain physicians in underserved areas of Michigan and the amount of other sources of funding available for the program, if any. Sponsoring institutions may receive funding from other sources but Medicaid will act as a payer of last resort to only cover costs not reimbursed through other sources. The state agency will pay the MIDOCs participating medical school an amount equal to the amount of otherwise unreimbursed costs.

The single state agency will approve four (4) agreements with MIDOCs participating medical schools statewide each state fiscal year (SFY), covering residencies for the academic year (July-June (AY)) beginning within the SFY. The agreements will total \$1.52 million in Fiscal Year 2019, \$10.73 million in Fiscal Year 2020, \$19.98 million in Fiscal Year 2021, \$27.75 million in Fiscal Year 2022, ~~and~~ \$28.5 million in Fiscal Year 2023, **AND \$22.8 MILLION IN FISCAL YEAR 2024.**

In addition, the following requirements must be met:

- The MIDOCs participating medical school must have submitted to the state agency its MIDOCs program proposal for new or expanded residency program(s) to promote access in underserved areas of the state
- The new or expanded program(s) must possess appropriate accreditation credentials
- The new or expanded program(s) must meet the MIDOCs curriculum standards, including those related to didactic education on patient centered medical homes, interprofessional education, behavioral and physical health integration, and continuous quality improvement
- The MIDOCs participating medical school must be the sponsoring institution of the residency program(s) or have an approved agreement with the sponsoring institution
- The MIDOCs participating medical school or the sponsoring institution (if not the medical school) must have agreements with all training sites for the MIDOCs residents
- If GME distributions exceed the expenses incurred by the MIDOCs participating medical school, their affiliated sponsoring institution and/or the clinical training sites related to the MIDOCs residencies, the size of the payment will be reduced to bring these elements into alignment.
