STATE OF MICHIGAN DEPARTMENT OF HEALTH AND HUMAN SERVICES LANSING

ELIZABETH HERTEL
DIRECTOR

April 15, 2024

GRETCHEN WHITMER

GOVERNOR

NAME TITLE ADDRESS CITY STATE ZIP

Dear Tribal Chair and Health Director:

RE: Substance Use Disorder Health Home

This letter, in compliance with Section 1902(a)(73) and Section 2107(e)(1)(C) of the Social Security Act, serves as notice to all Tribal Chairs and Health Directors of the intent by the Michigan Department of Health and Human Services (MDHHS) to submit a State Plan Amendment (SPA) request to the Centers for Medicare & Medicaid Services (CMS).

MDHHS is seeking approval from CMS to expand the opioid health home (OHH). This proposal of change will expand the OHH statewide and include two additional diagnoses. Currently the benefit is limited to beneficiaries within Michigan's Prepaid Inpatient Health Plans (PIHP) Regions 1, 2, 4, 5, 6, 7, 8, 9, 10 with an opioid use disorder diagnosis. The expansion will include the addition of PIHP Region 3 (Allegan, Kent, Lake, Mason, Muskegon, Oceana, Ottawa counties) and additional diagnoses of alcohol use disorder and stimulant use disorder. The additional diagnoses will allow the current OHH to expand to a Substance Use Disorder Health Home (SUD-HH). The SPA will serve an additional estimated 2,000-3,000 beneficiaries once fully implemented. A region's PIHP will coordinate enrollment and care with selected providers. Tribal Health Centers and Urban Health Centers that meet provider qualifications and standards are encouraged to participate and must adhere to the SPA requirements and standards. The anticipated effective date of this SPA is October 1, 2024.

There is no public hearing scheduled for this SPA. Input regarding this SPA is highly encouraged, and comments regarding this notice of intent may be submitted to Lorna Elliott-Egan, MDHHS Liaison to the Michigan tribes. Lorna can be reached at 517-512-4146, or via email at Elliott-EganL@michigan.gov. Please provide all input by May 30, 2024.

In addition, MDHHS is offering to set up group or individual consultation meetings to discuss the SPA, according to the tribes' preference. Consultation meetings allow tribes the opportunity to address any concerns and voice any suggestions, revisions, or objections to be relayed to the author of the proposal. If you would like additional information or wish to schedule a consultation meeting, please contact Lorna Elliott-Egan at the telephone number or email address provided above.

MDHHS appreciates the continued opportunity to work collaboratively with you to care for the residents of our state.
