ABP Screening Statements to Indicate Required Forms

Select one of the following options for eligibility group coverage:

- The population group for this Alternative Benefit Plan includes <u>only</u> the adult group under section 1902(a)(10)(A) (i)(VIII) of the Act. If the state selects this option, the state must complete form ABP2a to indicate agreement to voluntary benefit package selection assurances for the adult group.
- The population group for this Alternative Benefit Plan includes the adult group under section 1902(a)(10)(A)(i) (VIII) of the Act, and also includes other groups. If the state selects this option, the state must complete forms ABP2a and ABP2b to indicate agreement to voluntary benefit package selection assurances for the adult group and voluntary enrollment assurances for other eligibility groups.
- The population for this Alternative Benefit Plan does not include the adult group under section 1902(a)(10)(A) (i)(VIII) of the Act. If the state selects this option, the state must complete form ABP2b to indicate agreement to voluntary enrollment assurances for these eligibility groups.
- Enrollment is mandatory for some or all participants. *If selected, the state must complete form ABP2c to indicate agreement to mandatory enrollment assurances.*

Specify the number of **benchmark** benefit packages that will be created or amended with this submission. *The state must submit one version of forms ABP3*, *ABP3*. *1*, *ABP4*, *ABP5*, and *ABP8 for each benchmark benefit package*.

Dear Tribal Chair and Health Director:

RE: Skilled Maintenance Therapy State Plan Amendment Request

This letter, in compliance with Section 1902(a)(73) and Section 2107(e)(1)(C) of the Social Security Act, serves as notice to all Tribal Chairs and Health Directors of the intent by the Michigan Department of Health and Human Services (MDHHS) to submit a Traditional State Plan Amendment (SPA) and Alternative Benefit Plan (ABP) SPA request to the Centers for Medicare & Medicaid Services (CMS).

The purpose of the SPAs is to update prior authorization requirements for skilled maintenance therapy performed in outpatient and nursing facility settings and clarify benefit maximums when services are reported under a time-based procedure code. Outpatient maintenance therapy may be provided up to four times per 90 day period without prior authorization, and nursing facility maintenance therapy may be provided up to four times per 60 day period without prior authorization. Services reported under a time-based procedure code should not exceed 16 units per period. The anticipated effective date of these SPAs is January 1, 2024. MDHHS expects these changes to have no impact on Native American beneficiaries, tribal health clinics, and urban Indian organizations.

There is no public hearing scheduled for these SPAs. Input regarding these SPAs is highly encouraged, and comments regarding this notice of intent may be submitted to Lorna Elliott-Egan, MDHHS Liaison to the Michigan tribes. Lorna can be reached at 517-512-4146, or via email at Elliott-EganL@michigan.gov. Please provide all input by October 9, 2023.

In addition, MDHHS is offering to set up group or individual consultation meetings to discuss these SPAs according to the tribes' preference. Consultation meetings allow tribes the opportunity to address any concerns and voice any suggestions, revisions, or objections to be relayed to the author of the proposal. If you would like additional information or wish to schedule a consultation meeting, please contact Lorna Elliott-Egan at the telephone number or email address provided above.
