Re: Michigan State Plan Amendment (SPA) - 25-0014

Dear Director Groen:

The Centers for Medicare & Medicaid Services (CMS) reviewed your Medicaid State Plan Amendment (SPA) submitted under transmittal number (TN) 25-0014. This amendment updates Attachment 3.1-A of the Medicaid State Plan for clinic services with the required SPA template.

We conducted our review of your submittal according to statutory requirements in Title XIX of the Social Security Act and implementing regulations. This letter informs you that Michigan's Medicaid SPA TN 25-0014 was approved on December 5, 2025, effective July 1, 2025.

Enclosed are copies of Form CMS-179 and the approved SPA pages to be incorporated into the Michigan State Plan.

If you have any questions, please contact Christine Davidson at (312) 886-3642 or via email at [Christine.Davidson@cms.hhs.gov](mailto:Christine.Davidson@cms.hhs.gov).

Sincerely,

WENDY E. HILL

Types of Clinics and Services:

**[Select all that apply and describe below as applicable]**

Behavioral Health Clinics **[Describe the types of behavioral health clinics below and select below if applicable.]:**

Behavioral health clinic services are covered benefits when provided under the auspices of an approved behavioral health clinic. To obtain approval, clinics must demonstrate the capacity to provide, either directly or under contract, a full continuum of behavioral health services.

Services must be medically necessary, and must be preventive, diagnostic, therapeutic, rehabilitative, or palliative. They must be provided under the direction of a physician and delivered according to a person-centered plan of service, under client services management, and by staff meeting appropriate professional qualifications.

Persons who, upon assessment at intake are determined to require only psychotherapy provided by a physician, and who do not require access to a continuum of mental health services, will be subject to the same services limitations as are applicable to services in the practitioner's office (see Physician Services and Medical Care Furnished by Practitioners within the Scope of their Practice as Defined by State Law).

**Section 1905(a)(9) Clinic Services**

---

Limitations apply only to this clinic type within the benefit category. **[Describe below and indicate if limits may be exceeded based upon state determined medical necessity criteria.]**

Limitations may be exceeded when medically necessary.

IHS and Tribal Clinics **[Select below if applicable.]:**

Limitations apply only to this clinic type within the benefit category. **[describe below and indicate if limits may be exceeded based upon state determined medical necessity criteria].**

Preventive, diagnostic, therapeutic, rehabilitative, or palliative items or services are covered with the same limitations as services provided in the practitioner's office (see Physician Services and Medical Care Furnished by Practitioners within the Scope of their Practice as Defined by State Law), when furnished to an outpatient by or under the direction of a physician or dentist in a facility which is not part of a hospital but which is organized and operated to provide medical care to outpatients. Limits may be exceeded when medically necessary.

Renal Dialysis Clinics **[Select below if applicable.]:**

Limitations apply only to this clinic type within the benefit category. **[Describe below and indicate if limits may be exceeded based upon state determined medical necessity criteria.]**

Outpatient and emergency dialysis services, including peritoneal dialysis or hemodialysis, are covered when medically necessary when provided by Medicare certified dialysis facilities as described in 42 CFR §494. Dialysis self-care training provided by outpatient dialysis clinics is covered. A self-care training session is considered as one training day, and a complete course is considered 10-15 sessions. Additional sessions may be covered when determined to be medically necessary. The agency may exceed limitations based on medical necessity.

Other Clinics [Describe the types of clinics, if any limitations apply, and select below if applicable.]:

1. Ambulatory Surgical Centers - Ambulatory Surgical Centers (ASCs). An ASC is limited to any distinct outpatient facility that operates exclusively for the purpose of providing surgical services to patients not requiring hospitalization and in which the expected duration of services would not exceed 24 hours following an admission. ASCs must be licensed with the State of Michigan. ASCs must be certified as meeting the requirements for a Medicare ASC and must enter into an agreement with the Centers for Medicare & Medicaid Services (CMS).
2. Public Clinics - Preventive, diagnostic, therapeutic, rehabilitative, or palliative services that are furnished by a public facility (defined below) that is not part of a hospital but is organized and operated to provide medical care to outpatients. Public clinic services include services furnished at the clinic by, or under the direction of, a physician or dentist. Public clinic services may include EPSDT screenings, maternal support services, family planning services, laboratory services, dental services, as well as child health, prenatal and primary care services and immunizations.

Limitations apply only to this clinic type within the benefit category. [Describe below and indicate if limits may be exceeded based upon state determined medical necessity criteria.

1. Ambulatory Surgical Centers - ASCs are limited to medically necessary surgical procedures approved by the Michigan Department of Health and Human Services (MDHHS). MDHHS follows Medicare's ASC coverage policies, with Medicaid-specific exceptions published on the MDHHS website <http://michigan.gov/MDHHS> .
2. Public Clinics – Public Clinics are limited to medically necessary procedures approved by the MDHHS and are subject to the same limitations as are applicable to services being provided in a non-public health clinic (for example Physician Services, Medical Care Furnished by Practitioners within the Scope of their Practice as Defined by State Law, EPSDT, Diagnostic Services , Screening Services, Preventive Services, Dental Services). Limits may be exceeded when medically necessary.

The state attests that **[Select the checkbox if the state elects to cover services outside of a clinic that is located in a rural area.]**:

- The selected definition of a rural area best captures the population of rural individuals that meets more of the four criteria that mirror the needs and barriers to access experienced by individuals who are unhoused:
- The population experiences high rates of behavioral health diagnoses or difficulty accessing behavioral health services;
  - The population experiences issues accessing services due to lack of transportation;
  - The population experiences a historical mistrust of the health care system; and
  - The population experiences high rates of poor health outcomes and mortality.
