- 5. New Business**
 - EMS-313 Continuing Education for Clinical Field Effort - E. Bergquist
- 6. Additional Items from Attendees**
- 7. Adjourn**
- 8. Next Meeting: Friday, October 20, 2023, at 9 a.m.**

Bureau of EMS, Trauma & Preparedness Division of EMS & Trauma Policies & Procedures		EMS-313
Subject: Continuing Education for Clinical Field Practice		
Supersedes #: EMS-313	Previous Date: 6/09/2022	Pages: 3
Approved by:		Date: 3/20/2023

PURPOSE:

Licensed EMS personnel who are actively working for a licensed EMS agency have increased opportunity to provide assessments and interventions for patients in the EMS system. In order to provide consistent credit for clinical practice, the Division of EMS and Trauma will conduct routine analysis of data and award continuing education credit as outlined in this policy.

POLICY:

Each month, at the beginning of the month, the license numbers of expiring licensees at the end of the third month will be generated in a spreadsheet. Additionally, a report will be generated from the Michigan EMS Information System (MIEMIS) outlining all licensees performing the credit earning procedure on or after the start date of the current licensing period (approximately 33 months of data). These spreadsheets are compared and generate a list of expiring licensees that will receive credit according to the following table.

Division staff will create courses and upload licensee credit information before the licensee receives their 60-day renewal notification. A chit sheet will be emailed to the licensee’s email address that is in the license management system.

Example:

Licensees expiring September 30th, 2022 will be generated in a report in the beginning of July. Data for these licensees will be pulled from MIEMIS for the period of October 1st, 2019 through June 1st of 2022, making 33 months of data examined. The awarded credits will be uploaded to licensure by August 1st, 2022, prior to the licensee’s renewal notice being emailed on August 2nd, 2022, 60 days from their renewal date.

The number of credits awarded by this mechanism is capped at 2 per category per licensure period.

Credit Category	Procedures Reported	Conversion
Airway (BLS)	Airway opened BVM CPAP Endotracheal Intubation LMA Mouth to mask/mouth Nasal airway Oral airway Suctioning Supraglottic insertion (dual and single)	One Credit for every Ten procedures performed <u>successfully</u>
Preparatory (paramedic and advanced EMT)	IV Insertion	One Credit for every Ten procedures performed <u>successfully</u>
Trauma	Chest/Thoracic: Needle Decompression Musculoskeletal: C-Spine Stabilization, Manual Musculoskeletal: Cervical Collar Applied Musculoskeletal: Immobilization Using Extrication Splint Musculoskeletal: Immobilization using Long Board Musculoskeletal: Immobilization using Short Extrication Splint Musculoskeletal: Reduction of Dislocated Joint Musculoskeletal: Spinal Immobilization, Cervical Musculoskeletal: Spinal Immobilization, Full Musculoskeletal: Splinting, General Musculoskeletal: Splinting, Pelvic Binder/Sling Musculoskeletal: Splinting, Traction Wound Care: Bandage Wound Care: Burn Care	One Credit for every Ten procedures performed <u>successfully</u>

	<p>Wound Care: Escharotomy Wound Care: General Wound Care Wound Care: Hemostatic Agent Wound Care: Occlusive Dressing Wound Care: Pressure Dressing Wound Care: Skin Wound Closure Wound Care: Suture Removal Wound Care: Tourniquet Wound Care: Wound</p>	
<u>Medical</u>	<p><u>Cardiac: 12 Lead ECG Obtained</u> <u>Cardiac: 15 Lead ECG Obtained</u> <u>Cardiac: 18 Lead ECG Obtained</u> <u>Cardiac: 3/4 Lead ECG Monitoring</u> <u>Cardiac: CPR Discontinued due to ROSC</u> <u>Cardiac: Cardioversion</u> <u>Cardiac: Chest Compressions (Manual)</u> <u>Cardiac: Chest Compressions (Mechanical Device)</u> <u>Cardiac: Defibrillation, AED</u> <u>Cardiac: Defibrillation, Manual</u> <u>Cardiac: Electrocardiographic Monitoring</u> <u>Cardiac: Pacing, Cardiac (External or Internal)</u> <u>Cardiac: Vagal Maneuver</u></p>	<u>One Credit for every Ten procedures performed successfully</u>
<u>Patient Assessment</u>	<p><u>Assessment: History and Physical Examination, Limited</u> <u>Assessment: Observation</u></p>	<u>One Credit for every Ten procedures performed successfully</u>

	<u>Assessment: Orthostatic Vital Signs</u> <u>Assessment: Physical Assessment</u> <u>Assessment: Vital Signs</u>
