 - Emily went over the prototype spreadsheet and filled in what could be filled in today. Eileen asked how the group will interact. These groups will meet independently. It was suggested to reach out to the healthcare coalitions. Emily said what we will do is fill in who we know, then send communications to request appointments for this. Debbie suggested members helping. The charge of the sub meetings was discussed. The survey will help to narrow this, as the state is too big and diverse. Leveraging the stakeholder groups was discussed. Bruce discussed defining what roles should fill the spots. Ken said healthcare coalitions may not be the right people and suggested discharge people.
