1. **Call to Order: The meeting was called to order at 9:04 a.m. by Debbie Condino.**

 - **Motion to approve (Bigsby, Krohmer). Approved.**
4. **Old Business**
 - Regional Meeting Status Update
 - How is it going and who needs help?
 - Debbie apologized for having to cancel the last meeting, something came up for both of her and the state office. The plan was to have our identified leads for the regional groups to build their groups by identifying who from the different agencies that we wanted to be included for each region. Dr. Bigsby sent in his draft, but we didn't see any others. Debbie said today is to talk about how it is going and who needs help, and she'd like to open it up for others to maybe give an update and ask any questions or raise any concerns that you may have with pulling your teams together.
 - Dr. Krohmer – Apologized and said it wasn't clear at the time and he thought we were waiting for confirmation. He will move forward with the list that was laid out.
 - You can send your lists to Nicole, and Debbie, too, if you would like. Debbie said today we wanted to touch base on identifying people and help with questions.

- The lists were discussed, and people can add or delete roles as they see fit for their region. The spreadsheet was a guideline.
- Logistics of the meetings were discussed. We hope to start them in April. The meetings won't be closed, people can sit in, but it's not an open meeting as far as the OMA. Emily suggested trying to be inclusive unless it hampers progress. Whether in person or virtual would be up to the regional group.
- Emergency Nurses Association was discussed. EMSCC has a new rep and we can reach out to Naomi Ishioka, as well.
- State office participation was discussed. Due to the extensive burdens on the state office at the moment, you should plan to run the meetings without the state office and then get help as needed. We just can't guarantee a state office rep will always be there.
- Emily, Debbie, and Nicole will meet prior to the next meeting to develop a sample agenda for discussion in March.
