**2. New Business**

• **Sample Agenda for Regional Meetings**

- The group reviewed the sample agenda and discussed. Debbie said to contact her if you need information for the background piece. Suggested meeting cadence was discussed.

• **Idea Grid tool**

- This was previously used for the Recruitment and Retention work group and modified for this purpose. Dr. Bigsby spoke about this being helpful. It is easy to get offtrack in these meetings and this helps focus. It would be a good idea to send this out before the meeting for the participants to review.
