- 1. Call to Order**
- 2. Roll Call**
- 3. Approval of Agenda and Minutes from March 20, 2025. (Martin, Henderson).
Approved.**
- 4. New Business**
 - **Explore data from other states of "EMS Safety" incidents:**
 - Derek spoke about states pulling resources and data sets for EMS safety incidents, as they talk about that at NASEMSO.
 - Alissa shared crash data context and slides with the group.
 - The group discussed data for collection:
 - Vehicle crash, patient injury, provider injury, emergency response and transport vs not, near misses
 - Areas of risk, quantify the risks, address the risk, assessment of findings
 - **Map out goals for the coming FY**
 - Gathering data to look at for next meeting to build a report and discuss the information provided:
 - Michael Bentley will check into MIOSHA data
 - Lance Corey will check state internal data (NEMSQA/biospatial, Lights and Sirens data, ask about making the Suspected EMS Work Related Exposure, Injury, or Death data element mandatory)
 - We have Alissa Morrison's crash data
 - Maintaining the awareness on the assault against providers, risk and situation.

- **GOAL: draft reports from data collected before the next meeting and create a plan of action/issues to address for 2026.**
