2. **Approval of Agenda and Minutes from May 12, 2025 – Motion to approve (Sundberg, Nye). Approved.**
3. **Current Legislation Review**
 - HB 4399 – Expanded NP Scope of Practice Tab 2
 - Bruce presented the bill to the group and the group discussed. Alyson brought up some concerns. Ken spoke about issues they have had with staffing at places. Alyson asked how this could affect the CIP programs. Emily said that would be a burden of the protocols and discussed. It would allow orders if the MCA doesn't prohibit it. She discussed briefly. Bruce asked the group what they wanted to do. Ken said NPs in his area are not familiar with protocols and can cause clashes. There would need to be education for the NPs. Greg said he would defer to the others but if it is helpful, he doesn't see why we would oppose it. Ken agreed. Bruce said if there was concerns, protocols could be written, as Emily said.
 - No action taken.
 - SB 271 – Open Meetings Act Tab 3
 - This is to clean up the OMA but also creates a little chaos. We would be in class C for EMSCC.
 - **Motion to support (Flynn, Warnemuende). Motion carries.**

4. Other Business

- Legislative Tracking Sheet Tab 4
 - Bruce pointed out a couple of the bills we opposed have had some movement.
- Any other business brought by the members
 - Alyson advised she will be attending the MHA community advocacy meeting in Lansing this week and asked if there was anything else people would like her to bring back.
 - Greg spoke about statistical evidence for the grant helping. Emily has the data that Alyson can use and she discussed the reporting. Kolby asked how we show the value of this vs changing the exam. The group discussed.
