Thursday, January 5

Why are SDOH important?

Friday, January 6

Health Equity Webinar

Dr. James Bell III

State Assistant Administrator,
MDHHS

Join us in observing the first statewide SDOH Month!

This January, MDHHS will bring together partners and communities across Michigan to observe SDOH Month and recognize the importance of addressing social and economic factors that impact health. Please join us in observing SDOH Month by participating in activities, registering for the SDOH Summit, and sharing efforts from your community.
