## **Footnotes for DHS Publication 170, Program Statistics, Fiscal Year 2007**

- 1/ Effective with the report month of October 2004, county and district data in this publication reflects the location of the client's county/district of residence (except tables 38 and 39). In previous monthly publications, when a client was served by workers in a county/district other than that of their residence, the data was reported under the county/district of service. Please be advised that data by county/district of residence is not available for months prior to October 2004.
- 2/ The sum of the counties/Wayne districts may not add to the State/Wayne total due to rounding
- 3/ Data may not add to 100.0% due to rounding
- 4/ Less than 0.5 per month
- 5/ Less than 0.05%
- 6/ More corrections than new registrations
- 7/ The sum of the cases may not add to the total because a case may be opened for service under more than one program and as a result of rounding
- 8/ Money payment and medical only
- 9/ Includes SER Migrant Hospitalization
- 10/ Includes Refugee Assistance, Repatriate Relief, and Non-SER Migrant Hospitalization
- 11/ Populations Estimate Program, Population Division, US Bureau of the Census
- 12/ Regular SA and State Funded State Emergency Relief
- 13/ Receiving FIP or SA
- 14/ Home Heating Credit reflects only tax year 2006 data.
- 15/ Redford district office was converted to an Adult Medical and Services Division on January 30, 2006. Public Assistance cases formerly served by this office have been reassigned to the Inkster, Greystone, or Schoolcraft district offices.
- 16/ Lincoln Park district office was closed on April 21, 2006. Cases were transferred to the Fort Wayne district office.
- 17/ Fullerton/Jeffries district office was closed, effective October 7, 2005. Cases were transferred to Grand River/Warren or Tireman district offices.
- 18/ Cases for whom county is unknown.
- 19/ In October 2006, several changes were implemented in the Family Independence Program (FIP):
  - Two-parent FIP cases are now 100% state-funded.
  - FIP cases containing an incapacitated group are now 100% state-funded.
  - Federal regulations have redefined the FIP two parent household.
- 20/ Effective with the report month of March 2007, FIP is extended for 6 months with a monthly grant of \$10 for cases that otherwise would have closed due to excess earnings. Extended FIP (EFIP) provides important support to families transitioning to self-sufficiency. By retaining EFIP cases in the work participation calculation, Michigan increases the percentage of cases meeting Federal and State requirements.
- 21/ Tireman district office was closed on June 1, 2007. Cases were transferred to the Schoolcraft, Lafayette, or Grand River/Warren district offices.
- 22/ Tables 38 and 39 reflect county/district of service data. County/district of residence information is not available for these tables.
