1. Name of eligibility change:

A 19 year-old attending high school full-time is no longer considered a dependent child in the eligible FIP group.

2. Implementation date of eligibility change:

10/1/2011

3. Description of policy, including the change from prior policy:

Previous to the policy change, a 19 year-old that attended high school full-time and that was expecting to graduate before the age of 20, was a mandatory group member in the eligible FIP group. State law, MCL 400.57(1)(c) changed the definition of a dependent child, eliminating any 19 year-olds active FIP.

If a group's FIP eligibility was dependent on the 19 year-old, the FIP case closed. The cases reported as closed were due to the only child in the home that was 19 years old. Cases that had other children in the home or a pregnant grantee remained open, but the needs of the 19 year-old were removed.
