

Template #2: Coordination of Care

To improve the quality of services, [PIHP name] wants to coordinate your care with the medical provider who cares for your physical health. If you are also receiving substance abuse services, your mental health care should be coordinated with those services. Being able to coordinate with all providers involved in treating you improves your chances for recovery, relief of symptoms and improved functioning. Therefore, you are encouraged to sign a “Release of Information” so that information can be shared. If you do not have a medical doctor and need one, contact the [Customer Services Unit] and the staff will assist you in getting a medical provider.
