

Supporting Historical Data for Fiscal Year 2022 Individual Placement and Support (IPS) Annual Data Report

The information provided in the following graphs is data obtained from the 23 Michigan Individual Placement and Support (IPS) programs in the state of Michigan that are recognized by Behavioral and Physical Health and Aging Services Administration (BPHASA) as IPS providers with various levels of adherence to fidelity of the IPS model. It is assumed that the information and data collected from the IPS service providers or organizations are valid and reliable. The information shown in the graphs below is reflective of the past five years (2018-2022) of third quarter data collection. These graphs support the information found within the fiscal year 2022 IPS Annual Data Report.
