*Note: Clients are not required to submit proof of income.*

- Age depends on the services you need.

**What happens if my income changes while enrolled in the program?**

Your income is reviewed once per year. If your income is above 250% of the Federal Poverty Guidelines, you will be ineligible for re-enrollment.

**Can the program help pay for my health care bills unrelated to BC3NP services?**

No. The BC3NP can only pay for breast and cervical cancer screenings or diagnostics if your mammogram or Pap test comes back as abnormal.

**What services do I get if I'm screening for breast or cervical cancer?**

Screening for **breast** cancer means getting a **mammogram every 1-2 years**.

Screening for **cervical** cancer means getting a **Pap test and/or HPV test every 3-5 years**.

### **What if I have health insurance with a high-deductible I cannot pay or insurance that doesn't cover mammograms or Pap tests?**

If your deductible is unaffordable or your insurance does not cover mammograms, Pap tests, or follow-up tests, you are underinsured and eligible for enrollment, as long as you also meet the age and income requirements.

### **Can I stay in the program if I move outside of the state of Michigan?**

To remain in the program, you must have a current address in Michigan and receive your services in Michigan.

### **I'm under 40. What services am I eligible for?**

You are eligible for a **Pap test and HPV test**, along with follow-up tests if needed, starting at **age 21**.

You are eligible for a **mammogram and/or ultrasound** if you have a breast problem, along with follow-up tests, starting at **age 18**.

### **I'm over 40. What services am I eligible for?**

You are eligible for a **mammogram, Pap/HPV test AND diagnostic services** if you're between the ages of **40 and 64**.

### **What if I need cancer treatment?**

Clients who are diagnosed with breast or cervical cancer may be eligible for a special Medicaid program that provides full coverage, including cancer treatment. Those who are ineligible will receive referrals to treatment services.
