

## **GUIDE TO FREE OR REDUCED COST SMOKING CESSATION MEDICATION**

If you are having a hard time paying for medications that can help you quit smoking, there are programs that may be able to help.

---

### **Medicaid**

Michigan ENROLLS is a free program that will help callers find out if they qualify for health care coverage through the Michigan Department Health and Human Services. There are many types of health care programs available to assist families, single adults, children, seniors and the disabled. Benefits vary based on income and other factors. Medicaid covers all 7 FDA-approved medications for quitting tobacco. For more information, call Monday-Friday from 8:00 a.m. to 7:00 p.m. at 1-800-975-7630 or see their website at

<https://www.healthcare4mi.com/MISelfService/resources/portal/index.html>

### **Medicare**

The Michigan Medicare Medicaid Assistance Program is a free program to help people understand Medicare/Medicaid eligibility, enrollment, coverage, claims and appeals. They can help callers to enroll in Medicare savings programs They also help find resources for prescription drug assistance. For help call 1-800-803-7174 or see their website at <https://mmapinc.org/>

### **Michigan Tobacco Quitline**

The Michigan Tobacco Quitline offers free one-on-one telephone sessions to those trying to quit smoking. Any Michigan resident without access to a quitline through their insurance company may use this line. Uninsured callers who pass a brief medical screening may be eligible for free nicotine patches. Call 1-800-784-8669 for more information or visit at <https://michigan.quitlogix.org/>

### **The Medicine Assistance Tool**

This is a search engine for many of the patient assistance resources that the biopharmaceutical industry offers. Type in the medication(s) you are looking for help with to see if there are any programs you qualify for.

See their website at <https://medicineassistancetool.org/>

### **Pfizer Pathways**

This Pfizer program can help people obtain low cost or free Chantix, Nicotrol Inhaler and/or Nicotrol Nasal Spray. Patients will need to fill out an application form to see if they qualify. Call 1-866-706-2400 or see their web site at
