

Overview of Previous Trainings

Why we started this “series”?

- ▶ Who we are
 - ▶ Ryan White (RW) and Housing Opportunities for Persons with AIDS (HOPWA) Collaborative
 - ▶ Statewide multidisciplinary workgroup to improve health outcomes of people living with HIV (PLWH) through the provision of resource coordination, learning opportunities, and policy recommendations, influenced by data analysis.
- ▶ Why this work matters
 - ▶ Stable housing is closely linked to successful health outcomes.
 - ▶ Safe, decent, and affordable housing makes a difference in accessing medical care and supportive services.
 - ▶ For PLWH, access to HIV treatment, adhere to HIV medication consistently, and see their health care provider regularly.
- ▶ What is your why?

What's next?

- ▶ HIV & Housing Summit - Tuesday, June 6, 2023 (9am - 3pm)
- ▶ Incorporating DEI into Housing for PLWH - Wednesday, December 6, 2023 (9am-1pm)
 - ▶ Improving diversity, equity, and inclusion (DEI) within any system, including housing, requires action, with the ultimate goal of creating a space where individuals feel safe and welcome within their own homes. This presentation will focus on efforts to improve DEI within Michigan's Homeless Response System at the local and state levels. Participants will leave with knowledge and resources to help affect change within their own communities.
