4. Why aren't specific continuing education credits being offered?

The Harm Reduction Summit planning committee welcomes all ideas for future CE offerings. Please share your feedback in the post-event evaluation for consideration to offer in future summits.

5. What steps do I need to take to obtain CE for participating in this activity?

We are currently awaiting approval of CEs for our conference. In order to be eligible for CEs, attendees must (1) register for the conference, (2) attend the conference, and (3) complete the evaluation.

6. When will I receive my certificate?

If you meet all the criteria (register for conference, attend conference, and complete the evaluation), certificates will be e-mailed to the e-mail address provided within 45 days after the close of the evaluation.

7. I need my certificate earlier than the deadline listed above.

There is no guarantee that we can provide you with your certificate earlier than within 45 days after the close of the evaluation. For questions regarding continuing education and certificates, please contact CEInfo@mphi.org.

8. I attended last year's summit and never received my certificate. Who do I contact?

For questions about continuing education and certificates, please e-mail CEInfo@mphi.org.

9. I was unable to complete the evaluation before the deadline. Can I still receive credit?

The evaluation closed on Friday, June 9th. Late or incomplete evaluations will not be accepted. In order to be eligible for CEs, attendees must (1) register for the conference, (2) attend the conference, and (3) complete the evaluation.

10. I never received the evaluation by e-mail and was unable to complete it by the deadline. Can I still complete it and receive credit?

No. The evaluation closed on Friday, June 9th. Late or incomplete evaluations will not be accepted. In order to be eligible for CEs, attendees must (1) register for the conference, (2) attend the conference, and (3) complete the evaluation.

Evaluations were e-mailed to all individuals registered to attend the conference. However, we have experienced in the past e-mails being blocked due to organizational firewalls. As such, it is each attendee's responsibility to monitor the Michigan.gov/HarmReductionSummit website for evaluation information to be posted online after the event has concluded.
