

# Well Assessed Project

**Take a look at your private residential well today.**

Complete a quick, 10-minute step-by-step well inspection and let us know what you see. Based on what you find, you will receive personalized resources to help protect your drinking water and health.

**Your participation in the Well Assessed Project can:**

**1.**

Help you become aware of the condition of your well.

**2.**

Connect you with resources for addressing concerns with your well.

**3.**

Help MDHHS improve the assessment by completing the feedback survey.

**Interested?** Visit [bit.ly/WellAssessedProject](https://bit.ly/WellAssessedProject) or open your smart phone camera and hover over the QR code. Your phone will take you to more information and the step-by-step well inspection.
