

# Well Assessed Project

Take a look at your private residential well today.

Complete a quick, 10-minute step-by-step well inspection and let us know what you see. Based on what you find, you will receive personalized resources to help protect your drinking water and health.

Your participation in the Well Assessed Project can:

1.

Help you become aware of the condition of your well.

2.

Connect you with resources for addressing concerns with your well.

3.

Help MDHHS improve the assessment by completing the feedback survey.

Interested? Visit [bit.ly/WellAssessedProject](http://bit.ly/WellAssessedProject) or open your smart phone camera and hover over the QR code. Your phone will take you to more information and the step-by-step well inspection.

Prefer a printed copy? Call us at 844-934-1315 and we will send you one with a postage-paid return envelope.
