Your **Participation Form** has been reviewed, the project may commence on April 3, 2023 and completed by Sept. 15, 2023. No services will be provided and no costs to the state will be incurred prior to April 3, 2023. Funds will be provided upon successful project completion and the submission of required reimbursement documents and forms. These funds may only be used for new activities and cannot be used for capital improvements such as construction to a facility, indirect costs, major renovations, fundraising, political education, lobbying or research.

### Tasks/Deliverables:

1. The project will commence on April 3, 2023 and continue until September 15, 2023
2. Project leads will provide a written report at the completion of the project (Final Report) and will permit, upon reasonable notification and reasonable time's access by authorized BEPESOC representative to records, papers, files, documentation, and personnel related to the project. The Final Report will include a description of the project, the identified gaps or needs the project addressed, activities, outcomes, lessons learned, and success stories if available.
3. All projects must be completed by September 15, 2023. Documentation (i.e., invoices/receipts) itemizing funding allocations must be submitted with final paperwork (Final Report, itemized invoice, and receipts).
4. Project participants must be willing to participate in publication development, survey, and conference calls during and after project completion as needed.
5. Payment is the responsibility of the project manager. Work must be completed, and all reimbursements submitted by September 15, 2023.
