Dear LHD Colleagues,

The Family Center offers a series of free Virtual Parent Connect Calls monthly. Our August call is scheduled for Wednesday, August 10, 2022, from 11:00-12:00 pm EST on Microsoft Teams.

Before you know it, your children are grown adults. If you have an adult child with special needs, there are many questions about the future. This webinar will discuss the experiences of adult siblings and how siblings can support their siblings with disabilities' future.

This presentation will share information on the following:

- How can families support the relationship of siblings in the future?
- Why is future planning important to adult siblings of people with disabilities?
- How can families include siblings in future planning?
- Preparing for the future caregivers.

Please join us as Angela Martin from Michigan Developmental Disabilities Institute speaks on Adult Sibling Support.
