

Mi-STIC New Member Criteria and Process

11/30/21 version

How to request membership to join Mi-STIC?

- Send a new member request email to the MDOT Mi-STIC Coordinator at MDOT-Research@michigan.gov which includes your association/agency details, why you would like to become a member and what you have to offer the transportation community in Michigan.
- This request will then be added to the next meeting agenda for the entire Mi-STIC review and comment. The two Mi-STIC Co-chairs or their designated representative will make the final determination.
- Individual rotations will generally occur through events such as retirement, changes in employment and career changes, or at the request of the respective organizations.

Expectations of membership?

- Review Mi-STIC storymap ([State Transportation Innovation Councils \(STIC\) \(arcgis.com\)](http://arcgis.com)) and website ([MDOT - State Transportation Innovation Council \(michigan.gov\)](http://michigan.gov)).
- Only industry associations or groups can become members not individual companies.
- All members will serve as representatives of their respective organizations and notify the Mi-STIC Coordinator if the member is no longer able to serve and recommend a replacement person.
- Attend monthly meetings and lead Presentation meetings as requested.
- Act as a liaison to the member's respective industry organization and its' larger membership to gather input, spread the word on current innovations and assist with implementation of initiatives including the *Every Day Counts* initiatives.
- Participate in national efforts to collaborate and share achievements (i.e. National STIC meetings, EDC Summit, Innovation Peer Exchanges, etc.)
