Opening Remarks – Tony Kratofil & Ted Burch

- Tony welcomed the group and thanked everyone for attending. He is looking forward to the WATS presentation by Ryan Buck.
- Ted welcomed everyone. Reminded everyone there is \$100,000 in STIC incentive funding available. CRA just got done with their Local Roads Research Board Peer Exchange and we should be hearing about that before long.
- Brad Wieferich reminded the group of the upcoming STIC Highlights, March 16, 2022, 8:00 a.m.-noon (virtual). He asked that industry partners forward the information (calendar appointment) to their membership partners. There are currently 8 presentations:
 - Adaptive Signal Control Technology in Traverse City
 - Roller Compacted Concrete Pavement Roadway
 - Automated Flagging Assistance Devices (AFADs)
 - Virtual Public Involvement (VPI)
 - Ancillary Structures Asset Management Program
 - Density Profiling System (DPS)

- Develop and Implement a Freeze Thaw Model Based Seasonal Load Restriction Decision Support Tool
- Digital Speed Limit Signs

Reminder: March 21st is the 10-year STIC Anniversary meeting with Director, Paul Ajegba and FHWA Executive Director, Tom Everett, giving the welcoming remarks. Meeting is being held in-person at the Horatio Earle Learning Center. Limit is 20 people in the conference room. Carol is putting together a video of past innovations to show at the meeting. Refreshments will be served.

ACTION – RSVP to Penny Hunt (huntp@michigan.gov) if you plan to attend the March 21st meeting in-person (Due COB 3/11/2022).

ACTION – send pictures or videos of past innovations to Carol (aldrichc@michigan.gov) to include in the celebration video (Due COB 3/1/2022).

Presentation: Washtenaw Area Transportation Study (WATS)– Ryan Buck
Tactical Urbanism-Practical Partnerships for Testing Ideas (This presentation was recorded and will be posted on the Michigan STIC website).
