Opening Remarks – Michael Townley & Rachael Tupica

- Michael welcomed everyone and asked for thoughts on MI STIC submitting an application for the STIC Excellence Award, to recognize the efforts this team puts forth. Deadline is June 30, 2023. Team concurs. Michael will work on the application.
- Rachael introduced herself and the team introduced themselves to Rachel. Rachel confirmed the MI STIC team is very active, compared with other states, and it would be a good idea to submit an application.

Presentation – Daniel DeGraaf, Michigan Concrete Association

- **Reduced Carbon Concrete Mixes**

Presentation located on the STIC presentation website: [State Transportation Innovation Council \(STIC\) \(michigan.gov\)](https://www.stic.org)
