Opening Remarks – Tony Kratofil & Ted Burch

- Tony congratulated Brad Wieferich as the new MDOT COO. The announcement was made this morning.
- Ted congratulated Brad and welcomed Marcus to MI STIC. He thanked Tony for his leadership, encouragement, and support with the MI STIC program and which helped to advance the program.

Welcome and Introduction of New Member Marcus Anderson, Chairman of National DBE Association Round Table – Tony Kratofil

- Tony welcomed new member, Marcus Anderson, to the MI STIC team. His nomination was discussed at last meeting.

Presentation of Slope Restoration on Urban Freeways – Nanette Alton

- This presentation was recorded and is posted on the Michigan STIC website.
- Research Project results can be found at: [Environment \(michigan.gov\)](https://www.environment.michigan.gov)

STIC Incentive Projects Update – Carol Aldrich

- Carol displayed the list of projects.
- Steve/Tim: Local Research Board is completed and should be finalized shortly.
- Steve: Emergency Response Playbook task three, summary report, has been written by the consultants. Tim was effective in monitoring that. Transiting into tasks four and five which is writing up the draft report and then into the education and outreach phase. It is moving along and should have good results to share soon.
- Carol: A few new projects are out on the report; report can be viewed on the website. Still have room for another project or two this year. We are coming to the end of FY 2022 and are looking for those new applications. We have the new project for the peer exchange of Wrong Way Driving that Michelle Mueller is going to lead.

Next meetings: June 1, 2022, at 2:00 p.m. National STIC meeting and June 27, at 10:30 a.m., Presentation meeting (no volunteers as of 5/12/2022 – might be cancelled).
