Guests: Nick Pinaire, SITECH Michigan and Glenn Bukowski, MITA

Opening Remarks – Brad Wieferich & Ted Burch

- Brad: Attended the 2022 AASHTO Annual Meeting last week, and during the AASHTO Innovation Initiative (A.I.I.) session, MDOT was recognized five times for their innovations.
- Ted: Discussed the STIC incentive funding for the flashing green lights is in progress and just waiting on fund to be available. Reminded team that funding is available and to get it in as soon as possible.
- Ted: EDC-7 is supposed to be rolling out. They are looking for a coordinator for the Innovation Showcase in February 2023. Tim Colling (LTAP) has volunteered to coordinate.

Presentation: SITECH Michigan, Your Construction Technology Provider

- Nick Pinaire, SITECH Michigan and Glenn Bukowski, MITA
- Presentation is available on the STIC website: [State Transportation Innovation Council \(STIC\) \(michigan.gov\)](https://www.stic.michigan.gov)

Next meetings: November 21, 2022, Business meeting and December 19, 2022, Presentation meeting led by Wayne Harrall, Bob Lindbeck, Wayne Schoonover (Counties)
