

Michigan Department of Transportation (MDOT)  
Local Agency Bridge Fund  
Emergency and Large Bridge Repair Reporting  
Public Act 51 of 1951  
MCL 247.660 Section 10

(5) No less than 5% and no more than 15% of the money received in the local bridge fund may be used for critical repair of large bridges and emergencies as determined by the local bridge advisory board. Money remaining after the money allocated for critical large bridge repair and emergencies is deducted must be distributed by the board to the regional bridge councils created under this section. One regional council must be formed for each department of transportation region as those regions exist on October 1, 2004. The regional councils must consist of 2 members of the County Road Association of Michigan from counties in the region, 2 members of the Michigan Municipal League from cities and villages in the region, and 1 member of the department in each region. The members of the department are nonvoting members and shall provide qualified administrative staff and qualified technical assistance to the regional councils

(6) Money in the local bridge fund after deduction of the amounts set aside for critical repair of large bridges and emergency repairs must be distributed among the regional bridge councils according to all of the following ratios, which must be assigned a weight expressed as a percentage as determined by the board, with each ratio receiving no greater than a 50% weight and no less than a 25% weight:

(a) A ratio with a numerator that is the total number of local bridges in the region and a denominator that is the total number of local bridges in this state.

(b) A ratio with a numerator that is the total local bridge deck area in the region and a denominator that is the total local bridge deck area in this state.

(c) A ratio with a numerator that is the total amount of structurally deficient local bridge deck area in the region and a denominator that is the total amount of structurally deficient local bridge deck area in this state.

(7) The regional bridge councils shall allocate the money received from the board for the preservation, improvement, and reconstruction of existing bridges or for the construction of bridges to replace existing bridges in whole or in part in each region.

(8) Each January, the department shall submit a report to the chair and the minority vice-chair of the appropriations committees of the senate and the house of representatives, and to the standing committees on transportation of the senate and the house of representatives, on all of the following activities for the previous state fiscal year:

(a) A listing of how much money was dedicated for emergency and large bridge repair.

(b) A listing of what emergency and large bridge repair projects were funded.

(c) The actual weights used in the calculation required under subsection (6).

(d) A listing of the total money distributed to each region.

(e) A listing of the specific projects that were funded under subsection (7).
