

PA 22 of 2025 Section 312 boilerplate assignments

Sec. 312. By March 31, the department shall report to the senate and house appropriations subcommittees on transportation, the senate and house fiscal agencies, and the state budget office on the utilization of department properties, including, but not limited to, salt storage facilities, garages, and regional offices.

The department is waiting for standardized requirements to measure utilization and occupancy from the Office of State Employer per Section 226 of MDOT's appropriation bill.
