

PUBLIC NOTICE

MICHIGAN DEPARTMENT OF TRANSPORTATION (MDOT) Fiscal Years (FY) 2021-2023 Federal Transit Administration (FTA) Disadvantaged Business Enterprise (DBE) Program Goal

Pursuant to U.S. Department of Transportation regulations at 49 CFR § 26.45 titled "Participation by Disadvantaged Business Enterprises in Department of Transportation Financial Assistance Programs," MDOT announces its goal for its FTA-funded bus transit and metropolitan planning organization DBE programs for FY 2021-2023.

MDOT proposes the adoption of an FTA DBE goal of 1.39 percent for FY 2021-2023. The recommended DBE goal of 1.39 percent will be met through race-neutral means. Race-neutral participation occurs when MDOT and its grantees purchase bus-transit-related goods from, or contract with, a DBE firm when there is no specific requirement for DBE participation associated with the purchase or contract.

Comments or requests for information regarding how this goal was established may be submitted until noon on Oct. 1, 2020, to:

DBE Program Administrator
