

Industry Forum:
I-75 over Rouge River, Dearborn Street, and RR
I-75 SB On ramp over Rouge River and Pleasant Street
I-75 NB Off ramp over RR and Maintenance Road
I-75 over Fort Street
CMGC Project
1pm, July 27, 2023

The Michigan Department of Transportation (MDOT) is hosting an industry forum to discuss the upcoming Best Value CMGC procurement of the rehabilitation of I-75 NB & SB over Rouge River, Dearborn Street, and RR (B01 of 82194); I-75 SB On Ramp over Rouge River and Pleasant Street (B01-6 of 82194); I-75 NB Off Ramp over RR and Maintenance Road (B01-5 of 82194) and I-75 NB & SB over Fort Street (S06 of 82194), in City of Detroit. This forum will provide an opportunity for potential bidders to learn about the project scope, procurement process and schedule.

The intent of this forum is to share base information of the project for all interested participants. One-on-one meetings scheduled upon request by interested prime contractors will follow the forum.

Project improvements at I-75 NB & SB over Rouge River, Dearborn Street, and RR (B01 of 82194); I-75 SB On Ramp over Rouge River and Pleasant Street (B01-6 of 82194); I-75 NB Off Ramp over RR and Maintenance Road (B01-5 of 82194) will include:

- substructure repairs with complex temporary supports
- constraint induced fracture (CIF) retrofits
- miscellaneous structural steel repairs
- structural steel painting over the railroad
- deck patching
- joint resealing
- epoxy overlay

Project improvements at and I-75 NB & SB over Fort Street (S06 of 82194) will include:

- joint resealing
- epoxy overlay

MDOT anticipates issuance of a Request for Qualifications in August 2023 and award of a CMGC contract in November 2023.

When: 1 pm, July 27, 2023

Where: Microsoft Teams
