

## US-23 improvement project CMGC – Request for Qualifications

### Questions & Answers #3

04/03/2025

**Question 16:** Regarding the interviews:

- a. Are your attendees expected to all be MDOT or will there be contractor, designers, and/or other stakeholders?
- b. Is it open to public or attendees other than the project team and the panel?
- c. Room format/size – walk around or pedestal or tables?
- d. Is it possible to setup early?
- e. Is it best to put slides on a thumb drive and use MDOT's computer set up or bring our own laptop?
- f. Projector and/or screen available?

**Answer 16:** Answers regarding the interviews:

- a. Attendees will be from MDOT only
- b. No, only MDOT employees will be in attendance
- c. The main conference room has a large table with additional chairs around the exterior of the room. Interviewees will be able to stand/walk around if needed
- d. Yes, someone from MDOT will let your team into the room prior to the scheduled interview as early as 15 minutes prior to the scheduled start time.
- e. The interviewees should use their own laptop/computer.
- f. A projector will be available to use and will utilize an HDMI cord to connect to the interviewee's laptop/computer

**Question 17:** Are the interview questions available in advance?

**Answer 17:** No, MDOT is not planning on sharing the questions prior to the interviews.
